Mandatory Generic Program

The Plan requires that pharmacies dispense Generic Drugs when available. Should a Covered Person choose a Brand Name Drug rather than the Generic equivalent, the Covered Person will be responsible for the cost difference between the Generic and Brand Name Drug in addition to the Brand Name Drug Copay, even if a DAW (Dispense As Written) is written by the prescribing Physician. The cost difference is not covered by the Plan and will not accumulate toward your Out-of-Pocket Maximum.

Mandatory Mail Order Program

This plan will allow maintenance medications to be filled at retail in 30 day quantities only and will be subject to appropriate copay upon each 30 day refill. Member must choose mail order to receive a 90 day quantity on a maintenance drug and benefit from paying only 2 copays for a 3 month (90 day supply).

Preventive Drug means items which have been identified by the U.S. Department of Health and Human Services (HHS) as a preventive service. You may view the guidelines established by HHS by visiting the following website:
