</tr>
</tbody>
</table>

**Retail Pharmacy: 30-day supply**

- Generic Drug: 80% after Deductible
- Preferred Drug: 80% after Deductible
- Non-Preferred Drug: 80% after Deductible
- Preventive Drug (Prescription Drugs classified as a Preventive Drug by HHS): 100% (Deductible waived)

**Specialty Pharmacy Program: 30-day supply**

- Specialty Drug: 80% after Deductible

**NOTE:** Specialty Drugs MUST be obtained directly from the specialty pharmacy. Specialty Drugs are not available at retail or mail order pharmacies and there are no grace fills provided to Covered Persons.

**Retail/Mail Order: 90-day supply**

- Generic Drug: 80% after Deductible
- Preferred Drug: 80% after Deductible
- Non-Preferred Drug: 80% after Deductible
- Preventive Drug (Prescription Drugs classified as a Preventive Drug by HHS): 100% (Deductible waived)

**Mandatory Generic Program**
The Plan requires that pharmacies dispense Generic Drugs when available. Should a Covered Person choose a Brand Name Drug rather than the Generic equivalent, the Covered Person will be responsible for the cost difference between the Generic and Brand Name Drug, even if a DAW (Dispense As Written) is written by the prescribing Physician. The cost difference is not covered by the Plan and will not accumulate toward your Out-of-Pocket Maximum.

**90-Day Supply – Maintenance Medications**
This Plan will allow maintenance medications to be filled at any retail pharmacy and through mail order in 90 day quantities.
**Specialty Pharmacy Program**
Self-administered specialty drugs that do not require administration under the direct supervision of a Physician must be obtained directly from the specialty pharmacy program. For additional information, please contact the Prescription Drug Card Program Administrator.

Specialty drugs that must be administered in a Physician’s office, infusion center or other clinical setting, or the Covered Person’s home by a third party, will be considered under the Medical Benefits section of the Plan. Those drugs that can be self-administered and do not require the direct supervision of a Physician are only eligible under the Prescription Drug Program.

**Preventive Drug** means items which have been identified by the U.S. Department of Health and Human Services (HHS) as a preventive service. You may view the guidelines established by HHS by visiting the following website:

https://www.healthcare.gov/what-are-my-preventive-care-benefits

For a paper copy, please contact the Plan Administrator.
